**Housing
(N93) Department**

Housing Department

❖ PET POLICY

- Dogs are not authorized in tower elevators at any time. Continued violation may result in eviction from MFH.
- Pet owners are responsible for removing their pets' excrements immediately after excretion anywhere on board FLEACT Yokosuka and Ikego.

❖ Typhoon Preparations

- Recommend 72-Hour Emergency Kit (Refer to Family Housing Handbook).
- Stay tuned to CFAY Channel 15, radio, or CFAY website to include social media forums such as Facebook and X for the latest information.
- Identify outdoor items requiring securing, and ensure that the areas are cleared prior to the declaration of TCCOR 2.

❖ Mold and Mildew Prevention

- Mold and mildew are endemic in Japan but not hard to control.
- It is the resident's responsibility to clean mildew.
- Should mildew develop, remove it with 60/40% bleach and water solution or distilled vinegar.
- Report all cases of excessive mold occurrences to the Housing Service Center.

MOLD & MILDEW PREVENTION

Why Mold Happens

- Thrives in warm, humid, poorly ventilated spaces
- Grows on walls, clothing, furniture, carpets, food
- “Mold damages what it grows on. The longer it grows, the more damage it can cause.”

Resident Responsibilities

- Keep it clean: wipe showers, clean spills, do laundry often
- Keep it dry: stretch shower curtains, dry surfaces, cover pots when cooking
- Ensure airflow: use fans, open closets/drawers, avoid furniture against walls
- Control humidity: use A/C, dehumidifiers, silica gel, maintain thermostat settings

Warning Signs to Report

- Water leaks or damp floors/walls/ceilings
- Musty or earthy odors
- Condensation around vents/windows
- Wet carpets or standing water near HVAC

Storage Room Reminder

- Storage rooms are not climate-controlled
- Use airtight bins + moisture absorbers
- Keep aisles clear; items stay inside assigned cages

When to Clean vs. When to Call Housing

- Residents clean: mold patches under 10 sq ft using 60/40 bleach solution
- Call Housing: mold over 10 sq ft, recurring moisture, HVAC issues

**Child & Youth Program
(N96) Department**

Child & Youth Program

2026 Parent Involvement Board Meetings

Open to all parents with a child in any Child & Youth Program. This is a working lunch and a brown bag lunch will be provided. MS Teams link will be available for families that would like to participate, but cannot attend in person.

The Parent Involvement Board (PIB) strengthens family involvement in a format that brings CYP professionals, other installation leaders and parents together for active listening and expression of ideas and options in a positive, forward looking context. It is a critical component in quality child and youth programming. Family members are encouraged to actively participate in PIB meetings and other activities.

Yokosuka: February 10 • May 12 • November 17
Noon - 1 P.M. • MWR Bldg. 1559 • Rm 224*

Ikego: August 11
Noon - 1 P.M. • Ikego Teen Center Izumo Tower Bldg. 694

For more information call CYP Admin 243-4079.

* MWR Building 1559, Room 224 is located directly above the NEX Furniture store.

Become a Family Child Care (FCC) Provider

Some advantages of being a FCC Provider are:

- Independent work environment; work from your own home
- Great source of income while saving you the expense of childcare
- Free promotion, advertising and referrals
- Free monthly training and CPR / First Aid training
- Low cost liability insurance & on-site assistance and advice
- Assistance with Child Development Associate Credential
- A job that moves with you and certification that is transferable
- Take the next step! Complete a FCC Provider interest form at <https://militarychildcare.csd.disa.mil/sms/registration/register>

For more information call 241-2978 or 046-896-2978 or 070-1201-7944 or contact MWR_YOKOSUKA_FCC@us.navy.mil

Teen Career Showcase!

Program Dates

Week One: July 13 - 17

Week Two: July 20 - 24

July 13 & July 20:

• Résumé Writing - Interview Preparation

For more information about a particular sport or if you are interested in volunteering, please contact the Youth Sports and Fitness Office at 241-2952							

Safety

Safety

Update to Japanese Bicycle Laws

Motorized Bicycle

- A bicycle with a self-propel function, meaning it can be driven by electric power alone without pedaling.
- Legally classified as a "Motorized Bicycle" in Japan.
- Requirements:
 - A valid driver's license is required.
 - Must be equipped with brakes, lights, turn signals, mirrors, and a horn.
 - A license plate must be attached.

Power-Assist Bicycle

- A bicycle where the electric motor only assists the rider's pedaling. It cannot move by e-power alone.
- Treated as a standard bicycle.
- Must follow the general rules for all bicycles.

Liability and Accident Insurance

- For Motorized Bicycles:
 - Riders must join compulsory automobile liability insurance or a mutual aid association. Riding without this insurance is prohibited (JCI/Liability-like a car).
- For Standard Bicycles (including Power-Assist):
 - In Kanagawa Prefecture, cyclists must enroll in bicycle accident insurance. This is to ensure you can compensate for any damages or injuries caused to another person while riding.

Safety

Bicycle Rules and Liability

Due to increased risk to pedestrians and cyclists alike, police will issue fines without prior warning for offenses that directly compromise safety such as distracted riding or riding without proper brakes. This is known as the "Blue Ticket" system and is targeted for cyclists aged 16 and older. Police will issue immediate, on the spot administrative fines for 113 types of traffic offenses. Below are examples of potential fines.

Violation	Immediate Fine (JPY)
Using a smartphone while riding	12,000円
Ignoring red lights or traffic signals	6,000円
Failing to stop at a stop sign	5,000円
Riding while holding an open umbrella or wearing headphones	5,000円
Riding side-by-side with another cyclist	3,000円

COMMANDER, FLEET ACTIVITIES YOKOSUKA YOUTH SUPERVISION GUIDELINES

The ages specified are the minimum ages and are based on the child's ability to demonstrate age-appropriate behavior. Children/youth who do not consistently demonstrate age-appropriate behavior should not be given the same degree of self-management responsibilities. In all instances below where "yes" is indicated, youth in the specified age bracket may be left alone/perform activity. The parent is responsible for using reasonable judgment at all times.

Age of Child	Leave Unsupervised in Quarters for Less Than 2 Hours	Leave Unsupervised in Quarters for More Than 2 Hours but Less Than 8 Hours	In Public Areas Unattended	Walk to & from organized activities	Left Alone Overnight in Quarters	Babysitting (Red Cross Babysitting Course highly encouraged)	Left unattended in Vehicle
Ages 4 and under	NO	NO	NO	NO	NO	NO	NO
Ages 5 and 6	NO	NO	Yes; with access to caregiver.	NO	NO	NO	NO
Ages 7, 8, and 9	NO	NO	Yes; with access to caregiver.	Yes;	NO	NO	NO
Ages 10 and 11	Yes with access to caregiver	NO	Yes;	YES	NO	NO	Yes 15 min max, keys removed, and windows cracked when necessary
Ages 12 and 13	Yes; with access to caregiver	Yes; with access to caregiver	Yes;	YES	NO	Yes; not to exceed 8 hours and <u>No</u> overnight	YES
Ages 14 and 15	Yes; with access to caregiver	Yes; with access to caregiver	Yes;	YES	Yes; not to exceed 1 night; with access to adult supervision	Yes; <u>No</u> overnight.	YES
Ages 16 and 17 <small>(Age 18 or HS Graduate are considered adults)</small>	YES	YES	Yes	YES	Yes; not to exceed 5 consecutive nights; guardian conducts periodic checks	Yes; overnight permitted for <u>ONE</u> night.	YES

CURFEW

Applies to all persons under the age of 18.

Persons subject to curfew must be in quarters or with parent/designated caregiver while curfew is in effect.

On Base - Weekends 2400-0530 (Friday evening through Sunday morning, Holidays, and Official School Breaks).

On Base - Weekdays 2200-0530 (Sunday night through Friday morning).

Playgrounds - sunset to sunrise

Definitions:

• Adult supervision is someone 18 years or older who accepts responsibility for the child, e.g., parent, guardian, sibling, care provider, friend.

• A Caregiver is a designated adult/babysitter that accepts responsibility for the child

• Access is when the child has the ability to make immediate contact (in-person or electronically) with the caregiver.

• Immediate access is within eyesight or hearing distance from the child

• Overnight is the entirety of the timeframe between 2400 and 0530

• Organized activities are activities where adults are present and where the adults are providing custodial care and oversight.

• Periodic checks are when a caregiver meets with the minor in person

• Public areas include parks, playgrounds, sports fields, recreational areas, trails, buildings that are not quarters, etc.

• Off-limits areas include uninhabited housing areas, tunnels, wooded areas, and areas that are fenced off.

PCS SEASON PATIENT ADVISORY

PLAN AHEAD FOR YOUR MEDICATIONS

Don't let your medications become a PCS headache. Before you move, check your prescription supply and request refills early. DHA recommends ensuring you have enough medication to cover your travel and transition period. Eligible prescriptions may be filled for up to a 90-day supply through military pharmacies or TRICARE Pharmacy Home Delivery.

Plan ahead:

- Review medications 30–60 days before your move.
- Request refills before departing.
- Carry medications in your hand luggage during travel.
- Contact your gaining pharmacy after arrival to establish ongoing care.

A little preparation can help prevent interruptions to your treatment during your PCS.

PCS SEASON PATIENT ADVISORY

TRANSFER MEDICAL RECORDS FOR YOU & YOUR FAMILY

Planning a PCS? Be sure to coordinate your medical records transfer before you depart.

- Sponsors must bring a copy of their PCS orders and military ID card to **Outpatient Records**.
- Staff will package and mail paper medical records for both the sponsor and eligible family members to the military treatment facility nearest the sponsor's next duty station.
- Your electronic medical record remains available through MHS GENESIS and can be accessed by your gaining military treatment facility.

Before you go:

- Bring your **PCS orders** and **ID card** to Outpatient Records.
- Coordinate records transfers for all accompanying family members.
- Request personal copies of your medical records if needed. Records can be securely sent via **DoDSAFE**; requests are typically processed within **30 days**.
- Allow time for records processing prior to departure.

Planning ahead helps ensure your healthcare information arrives where it is needed and supports a smooth transition to your next duty station.

PCS SEASON PATIENT ADVISORY

WHAT TO EXPECT: PCM CHANGES THIS PCS SEASON

As we enter the upcoming **Permanent Change of Station (PCS)** season, some patients may notice a change to their assigned **Primary Care Manager (PCM)**.

These adjustments are a routine part of maintaining balanced provider workloads and ensuring timely access to care across U.S. Naval Hospital (USNH) Yokosuka.

What this means for you:

If your PCM is changing, you should receive a notification from tricareoverseas@top.internationalsos.com

Your care will continue without interruption, and our team remains committed to delivering safe, high-quality care to every beneficiary.

Stay Informed:

Make sure your contact information—especially your email—is current in the Defense Enrollment Eligibility Reporting System (DEERS). This ensures you receive any important updates regarding your care team.

We appreciate your understanding and flexibility as we continue to support the health and readiness of our Yokosuka community.

Need to update DEERS?

Partial Road and Parking Lot Closure

PWD

ROAD CLOSURE

- Partial road and parking lot closures started 6 Jun 2026 for construction of the new bowling center / food court.
- Road outages are scheduled to be complete in Fall 2026.

as of 9 JUN 2026

Water Line Repair Timeline

Water Repair Timeline

WATER LINE REPAIR TIMELINE

Stage 1: Bottled Water Distribution

- Bottled water distribution points will provide tenants with free bottle water in advance of an expected boil water period following the water line repair.
- Distribution points will be open daily from 8 a.m. to 6 p.m. on June 11 through June 22 to all tenants with valid Government ID.

JUNE 11-22

BOTTLED WATER DISTRIBUTION POINT IS OPEN

Stage 2: Repair Period

- A water line repair will be conducted near Carney Gate.
- A boil water advisory is expected to go into effect on June 18 at 6 p.m. due to an expected loss of water pressure at the repair site.
- This is a standard precautionary measure any time water pressure drops during a repair, and does not indicate contamination has occurred.

JUNE 18

WATER LINE REPAIR EXPECTED COMPLETION

WATER CONSERVATION ADVISORY IN EFFECT TO LESS LOAD DURING REPAIR PERIOD

Stage 3: Testing and Boil Water Advisory Period

- Water samples will be taken at the site of the repair and across the installation to be sent for testing at an independent laboratory.
- Once the water test results are returned and the water is confirmed safe the boil water advisory will be lifted.

JUNE 18

COMPREHENSIVE WATER TESTING SAMPLES SENT TO LAB

JUNE 18 @ 6 P.M.

BOIL WATER ADVISORY IN EFFECT

(PRECAUTIONARY MEASURE DUE TO EXPECTED LOSS OF PRESSURE DURING REPAIR)

JUNE 21

WATER TESTING RESULTS COMPLETE AND RETURNED

Stage 4: Tenants Flush

- Following confirmed safe water test and lifting on the boil water advisory, tenants can begin flushing process.
 - Flush all water faucets and water-dispensing appliances.
 - Empty and sanitize ice bins
 - Replace water filters
- Following complete flushing tenants can resume regular tap water usage.

FOLLOWING LIFTING OF BOIL WATER ADVISORY

TENANTS FLUSH TAPS AND APPLIANCES BEFORE RESUMING REGULAR WATER USAGE

FOLLOWING VERIFICATION OF SAFE WATER TEST RESULTS

BOIL WATER ADVISORY LIFTED

Bottled Water Distribution

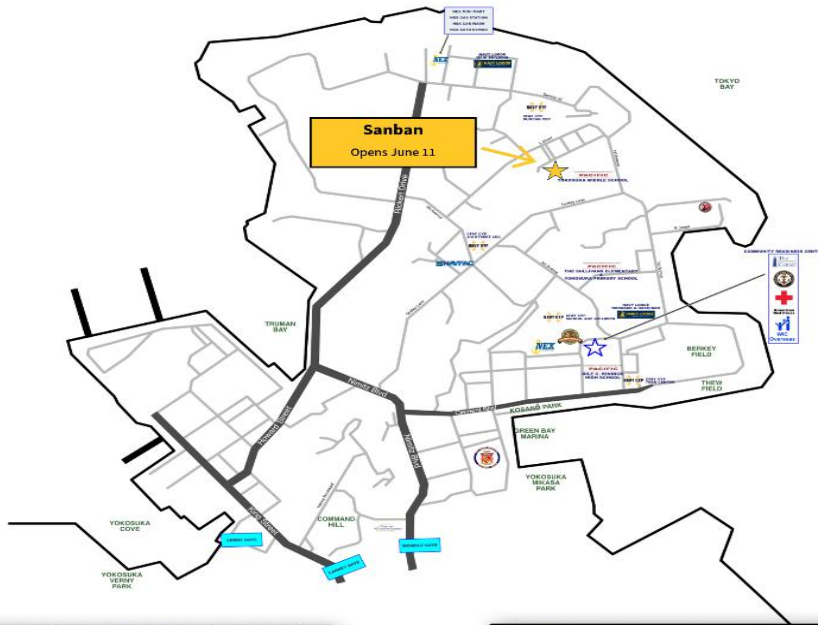

Bottled Water Distribution

BOTTLED WATER DISTRIBUTION

Hours of Operation:
June 11- June 21, 8 a.m. to 6 p.m. daily.

All personnel living and working on base are authorized to use the distribution, and commands may pick up in bulk. Government ID required. Personnel who cannot pick up their own water may have a friend pick up on their behalf. Pet owners may also use the distribution for their pets.

Distribution Location: Sanban Tower
Dates open: June 11- June 21,
Hours of Operation: 8 a.m. to 6 p.m. daily

- All personnel living and working on base are authorized to use the distribution.
- Personnel may have a friend pick up on their behalf.
- Pet owners may also use the distribution for their pets.
- One case of bottle water per person, per day.
- Government ID required.
- Commands may pick up in bulk.

Advisory Types

What is a Water Conservation Advisory?

WATER CONSERVATION ADVISORY

Conservations actions:

- Halt non-essential use of water
- Do not wash vehicles or water lawns with tap water
- Run only full loads of laundry or dishes
- Take shorter efficient showers
- Report leaking faucets or pipes to CFAY Public Works at 243-5555 immediately

More Info: <https://go.mil/cfay-water>

Water Conservation Advisory will go into effect 15 June and remain in effect until drinking water services are fully restored

Conservation steps should include but are not limited to:

- Halt non-essential use of water
- Do not wash vehicles or water lawns
- Run only full loads of laundry and dishes
- Use disposable plates, cups, or utensils if available
- Take shorter showers; reducing shower time by 3 minutes can save 8 gallons of water
- When washing your hands, turn off water while you lather
- Thaw frozen food in refrigerator or microwave, not under running water
- Report faucets and pipes for leaks, reporting any leaks or drips to CFAY Public Works at 243-5555 immediately

Mission-Essential During Water Conservation Advisory Period

Specific guidance for CFAY service members and civilian workforce will be communicated through the chain of command and our supervisors. CFAY will maintain mission essential services throughout the duration of the repair.

Tenant Command service members and civilian workforce would be directed to contact their chain of command or supervisor for details regarding their organization's work status.

What should we do after Boil Water Advisory?

TAP WATER IS SAFE TO DRINK

WATER SERVICES RESTORED

Flush tap water before consumption.

- Flush water taps and water-dispensing appliances
- Empty and sanitize ice bins
- Replace water filters

More Info: <https://go.mil/cfay-water>

Drinking Water Services Restored Notice will be announced following testing and water system is confirmed safe

Perform the following actions before resuming regular use of your tap water:

- **Flush Internal Plumbing (Cold Water Taps):** Turn on all cold-water faucets in the facility or home and let them run continuously for 5 to 10 minutes.
- **Flush and Sanitize Ice Makers:** Discard any ice that was made during the advisory period. Turn the ice maker on, let it produce 2 to 3 new batches of ice, and discard those as well. Finally, wash and sanitize the ice storage bin.
- **Flush Water-Dispensing Appliances:** Run water through any appliances connected directly to the water line for 3 to 5 minutes. This includes water coolers, coffee/espresso machines, and soda dispensers.
- **Replace Water Filters:** Replace all point-of-use water filters. This includes filters in refrigerators, under-sink filtration systems, and whole-house filter cartridges.
