Know Your MMR Status

Measles is a highly contagious viral illness that spreads by person-to-person contact and through the air. Risk for widespread measles in the U.S. and in Japan remains low due to robust immunization and surveillance programs.

Measles-Mumps-Rubella (MMR) vaccination is the most important tool for preventing measles.

- Children should receive 2 MMR doses by age 6. Overseas, an additional, early MMR dose is recommended for infants as young as 6 months of age.
- Adults should have at least one documented dose of MMR vaccine in their lifetime, or evidence of immunity.

Scan the QR code to review your immunization record via the MHS GENESIS Patient Portal to ensure you are up-to-date with this important vaccine.

A: If you transfer colleges between the fall and spring semester, please contact education@nmcrs.org so we can contact the school for a refund and reissue checks to your new school.

Q: I am no longer planning to school this year. Will you hold the funds for me to use next year?

Q: I applied for the full academic year, but I decided to take the fall semester off. Can I defer my scholarship for the spring semester?

A: If you transfer colleges between the fall and spring semester, please contact education@nmcrs.org so we can communicate with the school for a plan to hold or reissue funds. Depending the circumstances, you may only be eligible for a portion of the award.

Q: My spouse/parent is currently active duty, but will be separating (not retiring) from the military this year. Am I still eligible for the award?

A: If your spouse separates from the military within the year, you may not be eligible depending on the separation date. Exact date for cutoff TBD. Please check with education@nmcrs.org for this year's date.

Q: What if I am dual military? Even if I am not a MECEP/MECP student, can I apply as a Navy/Marine Corps spouse?

A: Yes! Your spouse status qualifies you for eligibility and is not negated by your active duty status.

Q: How are the scholarships and amounts chosen?

A: We are needs-based scholarship program. We will compare your Estimated Family Contribution (EFC) with your tuition and out of pocket costs in a rubric to determine awards. Merit-based determining factors, like GPA, will not be factored as long as the minimum requirement is met.
