# Golden Week

## Heads-up about Traffic

“Golden Week 2025,” a period of Japanese national holidays and weekends, begins on Saturday, April 26. As many families and friends are expected to travel by car, train, or plane throughout Japan, please allow time for traffic congestion.

- Please use **“WEEKENDS/ HOLIDAYS” Time Tables** for train/ bus on the following days:

- **Tue., April 29 (Showa Day)**
- **Sat., May 3 (Constitution Day)**
- **Sun., May 4 (Greenery Day)**
- **Mon., May 5 (Children’s Day)**
- **Tue., May 6 (Substitute holiday)**

Japanese National Holiday: May

## May 5: Children's Day

May 5 is Children's Day (originally "Boys' Day") in Japan. It is a day to wish for the happiness of the children and to appreciate their mothers, according to the public holiday act.

At this time of year, families with boys fly *Koi-Nobori* or carp streamer outside. Inside the house, they display a samurai helmet replica and samurai costumes from mid-April to May 5.

The carp is thought to be a lucky fish symbolizing success in life because Chinese legends say carp become dragons when they swim up whitewater rapids. Children's Day became a national holiday in 1948.

## Active Parenting of Teens :)

For Parents of Teens and 'Tweens

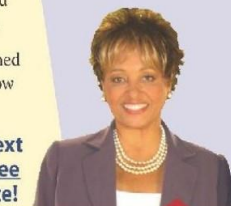

The challenge of successfully ushering children through their teen years has always been among parents' hardest-won achievements. But in today's society where children seem to become adults overnight, and where they often make decisions about drugs, sexuality, and violence before they understand the consequences, a parent's job is more important than ever. So how can you ensure that your teens develop the skills and character they need to not only survive but to thrive as they gain independence?

You *can* create harmony and stability in your family while raising your teens to be responsible, courageous and prepared for independent life. *Active Parenting of Teens*, a video and discussion program by parenting expert Dr. Michael Popkin, will show you how. In six sessions packed with activities, discussion, real-world examples, and feedback, you'll learn a proven approach to parenting, plus indispensable techniques and insights for overcoming obstacles, that will bring happiness and harmony into your home. You'll leave each session energized and motivated to make positive and realistic changes in your own family's daily life.

Since 1983, millions of families have learned the benefits of Active Parenting. Now it's your turn.

Join us at the next session and see the difference!

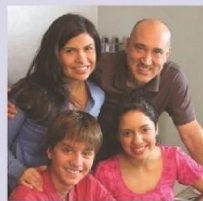

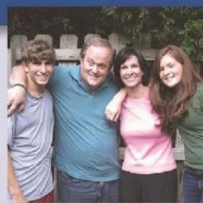

Narrated by TV mom Daphne Maxwell-Reid ("The Fresh Prince of Bel-Air") and by the author, Dr. Michael Popkin

*Active Parenting of Teens* will give you the guidance and support you need to turn the challenges of raising a teenager into opportunities for growth. You'll learn:

- Methods of respectful discipline
- Skills for clear, honest communication
- Concrete strategies to prevent risky behavior
- How to be an encouraging parent

... and much more, plus insight into important issues such as teens online, bullying, and depression.

### AWARDS

## NAVY-MARINE CORPS RELIEF SOCIETY

### Education Assistance Frequently Asked Questions

**Q: Are step-children eligible for this scholarship or loan?**

A: Yes, step-children are eligible, if they are listed in DEERS.

**Q: Are grandchildren eligible for this scholarship or loan?**

A: Generally, grandchildren are not eligible. However, if a grandparent is the legal guardian of an applicant, and the child is listed in DEERS, they are eligible.

**Q: I was a NMCRS Scholar last year, do I need to reapply for the 2024-2025 academic year?**

A: Yes, you must reapply each year.

**Q: I applied last year and was not selected, would I not be selected this year?**

A: Each year has different variables: available funds from NMCRS, applicant pool, tuition changes. You are welcome to apply again to see if your need meets this year's threshold for an award.

**Q: My parent/spouse is a Navy or Marine Corps veteran, but is not active-duty or retired. Can I apply for this scholarship or loan?**

A: No, Education Assistance is applicable for active duty, retired, or qualifying deceased Marine Corps or Navy dependents only. Disability status does not change this requirement.

**Q: What determines a qualifying deceased parent?**

A: The child of a sponsor who passed away while on active-duty or after retirement is eligible to apply. The applicant will submit a copy of DD1300 Report of Casualty & a copy of Death Certificate in their application.

**Q: My parent/spouse is a disabled Veteran, but did not retire. Can I apply for this scholarship or loan?**

A: No, Education Assistance is applicable for active duty, retired, or qualifying deceased Marine Corps or Navy dependents only, regardless of disability rating.

**Q: I am an active-duty Sailor or Marine attending college in my free time. Can I apply for a scholarship or loan?**

A: At this time, active-duty service members are eligible for interest-free loans only if they have been accepted to the MECEP or MECP programs.

**Q: If I accept a loan, when does repayment begin?**

A: Repayment for NMCRS Education Loans do NOT have deferred payment after graduation. NMCRS loans repayment will begin September 2024. The loan will be tied to the sponsoring service member's pay.

**Q: What if I change the college I plan to attend from what I indicated on my application?**

A: If you are selected for a NMCRS scholarship and you decide to attend a college that is different from your application, reach out to [education@nmcrs.org](mailto:education@nmcrs.org). Please note, your application will be reviewed and the award amount may change.

**Q: What if I transfer colleges between semesters?**

A: If you transfer colleges between the fall and spring semester, please contact [education@nmcrs.org](mailto:education@nmcrs.org) so we can contact the school for a refund and reissue checks to your new school.

**Q: I am no longer planning to school this year. Will you hold the funds for me to use next year?**

A: We understand plans change. We will put your funds back into the pool to give to the next available applicant. We cannot hold the funds to next year, but encourage you apply again next cycle.

**Q: I applied for the full academic year, but I decided to take the fall semester off. Can I defer my scholarship for the spring semester?**

A: If you transfer colleges between the fall and spring semester, please contact [education@nmcrs.org](mailto:education@nmcrs.org) so we can communicate with the school for a plan to hold or reissue funds. Depending the circumstances, you may only be eligible for a portion of the award.

**Q: My spouse/parent is currently active duty, but will be separating (not retiring) from the military this year. Am I still eligible for the award?**

A: If your spouse separates from the military within the year, you may not be eligible depending on the separation date. Exact date for cutoff TBD. Please check with [education@nmcrs.org](mailto:education@nmcrs.org) for this year's date.

**Q: What if I am dual military? Even if I am not a MECEP/MECP student, can I apply as a Navy/Marine Corps spouse?**

A: Yes! Your spouse status qualifies you for eligibility and is not negated by your active duty status.

**Q: How are the scholarships and amounts chosen?**

A: We are needs-based scholarship program. We will compare your Estimated Family Contribution (EFC) with your tuition and out of pocket costs in a rubric to determine awards. Merit-based determining factors, like GPA, will not be factored as long as the minimum requirement is met.
