End of Heating Start of Cooling

- In support of preventive maintenance, CFAY maintains an HVAC changeover period between the heating and cooling seasons.
- **24 March 2025** heating will start to be turned off sequentially, as required for PWD to perform maintenance and convert the systems
- Dates of specific community interest:

**Unaccompanied, Family Housing, DoDEA
cooling turned on no later than 14 April**

- Some areas may experience minor gaps in heating & cooling due to maintenance and system changeovers
- The preventive maintenance reduces the need for repairs during the cooling season, when air conditioning is most valuable. We appreciate everyone's patience during this period.

- During changeover, if your area is too hot before PWD has reached your facility, please turn your thermostat to "off" and open doors and windows to maximize natural ventilation.
- Once in use, cooling must be set no lower than 78°F / 25.5°C [Housing 76°F / 24.5°C]

Education Assistance Frequently Asked Questions

Q: Are step-children eligible for this scholarship or loan?

A: Yes, step-children are eligible, if they are listed in DEERS.

Q: Are grandchildren eligible for this scholarship or loan?

A: Generally, grandchildren are not eligible. However, if a grandparent is the legal guardian of an applicant, and the child is listed in DEERS, they are eligible.

Q: I was a NMCRS Scholar last year, do I need to reapply for the 2024-2025 academic year?

A: Yes, you must reapply each year.

Q: I applied last year and was not selected, would I not be selected this year?

A: Each year has different variables: available funds from NMCRS, applicant pool, tuition changes. You are welcome to apply again to see if your need meets this year's threshold for an award.

Q: My parent/spouse is a Navy or Marine Corps veteran, but is not active-duty or retired. Can I apply for this scholarship or loan?

A: No, Education Assistance is applicable for active duty, retired, or qualifying deceased Marine Corps or Navy dependents only. Disability status does not change this requirement.

Q: What determines a qualifying deceased parent?

A: The child of a sponsor who passed away while on active-duty or after retirement is eligible to apply. The applicant will submit a copy of DD1300 Report of Casualty & a copy of Death Certificate in their application.

Q: My parent/spouse is a disabled Veteran, but did not retire. Can I apply for this scholarship or loan?

A: No, Education Assistance is applicable for active duty, retired, or qualifying deceased Marine Corps or Navy dependents only, regardless of disability rating.

Q: I am an active-duty Sailor or Marine attending college in my free time. Can I apply for a scholarship or loan?

A: At this time, active-duty service members are eligible for interest-free loans only if they have been accepted to the MECEP or MECP programs.

Q: If I accept a loan, when does repayment begin?

A: Repayment for NMCRS Education Loans do NOT have deferred payment after graduation. NMCRS loans repayment will begin September 2024. The loan will be tied to the sponsoring service member's pay.

Q: What if I change the college I plan to attend from what I indicated on my application?

A: If you are selected for a NMCRS scholarship and you decide to attend a college that is different from your application, reach out to education@nmcrs.org. Please note, your application will be reviewed and the award amount may change.

Q: What if I transfer colleges between semesters?

A: If you transfer colleges between the fall and spring semester, please contact education@nmcrs.org so we can contact the school for a refund and reissue checks to your new school.

Q: I am no longer planning to school this year. Will you hold the funds for me to use next year?

A: We understand plans change. We will put your funds back into the pool to give to the next available applicant. We cannot hold the funds to next year, but encourage you apply again next cycle.

Q: I applied for the full academic year, but I decided to take the fall semester off. Can I defer my scholarship for the spring semester?

A: If you transfer colleges between the fall and spring semester, please contact education@nmcrs.org so we can communicate with the school for a plan to hold or reissue funds. Depending the circumstances, you may only be eligible for a portion of the award.

Q: My spouse/parent is currently active duty, but will be separating (not retiring) from the military this year. Am I still eligible for the award?

A: If your spouse separates from the military within the year, you may not be eligible depending on the separation date. Exact date for cutoff TBD. Please check with education@nmcrs.org for this year's date.

Q: What if I am dual military? Even if I am not a MECEP/MECP student, can I apply as a Navy/Marine Corps spouse?

A: Yes! Your spouse status qualifies you for eligibility and is not negated by your active duty status.

Q: How are the scholarships and amounts chosen?

A: We are needs-based scholarship program. We will compare your Estimated Family Contribution (EFC) with your tuition and out of pocket costs in a rubric to determine awards. Merit-based determining factors, like GPA, will not be factored as long as the minimum requirement is met.
