Emergency Management Office

Living and working in Japan is a once-in-a-life-time experience to enjoy history, beauty and culture like no other place on earth. It is also a place that is subject to a wide variety of natural and made-made hazards -- earthquakes, the potential for volcanic activity, typhoons and high winds, snow and cold weather conditions, terrorism or extremists activities, or a major industrial accident.

It is each member's responsibility to ensure awareness and preparedness for the inevitability that an emergency situation will occur. Emergency Management Plans assume you can take care of yourself (and your family) for *at least* five days and have things ready to use; such as food, water, heat source, cash, and a portable radio.

Other items to have ready:

- A *first aid kit* that includes your family's *prescriptions and medications*.
- *Emergency tools* such as a whistle, flashlights, plenty of *extra batteries* and tools such as a wrench or pliers to shut off your Utilities.
- Special items for infant, elderly, disabled family members, and pets.
- A blanket/sleeping bag per person. Practical *footwear* and extra clothes.
- Sanitation supplies (TP, baby wipes, garbage bags, feminine items).
- Important *family documents* in a fire proof container & water proof bag.

In an effort to ensure you and your family members are well prepared for these events and have what you need to subsist or evacuate, you need education and training. One of the first things to do when you check into your command is meet with your command's Non-combatant Operations (NEO) Warden. They will provide information on completing your Emergency Evacuation Program (EEP) package and getting your go-kit in order. For more information, please contact the NAF Emergency Management Office at 264-4181/4184. ***Be Informed, Make a Plan, and Build a Kit.***

Traveling to Japan

Traveling to Japan can be an adventure in itself. Pre-planning is a must in order to reduce the stress associated with relocating. Weigh your luggage prior to leaving for the airport. Pre schedule your taxi or shuttle to the airport. Double check that you have all your important papers with you: Orders with Dependent Entry Approval, Passports, I.D. Cards, snacks if allowed in carry-on luggage. The average flight from Los Angeles is approximately 10-12 hours non-stop. If leaving from other parts of the US it can take much longer.

While traveling can be an arduous experience it can be even more difficult and costly when traveling with pets. If you are considering bringing pets to Japan, please consider using the Patriot Express Flight. It will be cheaper than standard commercial flights.

NAF Atsugi is located southwest of Tokyo (Narita Airport) and due to the distance, it is highly recommended for your Sponsor to arrange your ground transportation to NAF Atsugi. Shuttle Bus reservation **MUST** physically be made, in person, at the Air Ops Terminal - Bldg. 206. For Shuttle Bus questions dial DSN 315-264-3118/International 011-81-467-63-3118.

A copy of PCS orders, flight itinerary, and a filled out vehicle equipment request form (NAF Atsugi/TRANS Form 1, dated 4 Feb 2020) must be turned into the transportation office in Bldg. 90 when making reservations. Sponsors or a Command representative must travel with the provided driver to pick up the PSC inbound personnel.

Please contact the housing office at 011-81-46-763-3795 or DSN: 315-264-3795
<https://ffr.cnmc.navy.mil/Navy-Housing/Heat>

Check-in Procedure:

Members reporting in person will be placed on a waiting list AFTER you reported to your new command. A Service member, spouse or designated representative with an authorized POA must visit the housing office with required documents and see an on-base counselor for applying to the Family Housing waiting list. Housing reviews, offers and assignments will be completed with the counselor.

Members reporting to deployed units: Application and documents may be made by letter, fax, email or message and by a designated representative with POA. The application needs to be annotated to show that the unit is deployed. Members will report to AHSC within 30 days of return from deployment.

Bedroom Entitlement:

The number of bedrooms is based on pay grade & family composition. For example, member, spouse and two children are qualified for a three-bedroom. All senior officers (O6) are eligible for minimum of four-bedroom. All field grade officers (O4 & O5), chief warrant officers (W2-W5), limited duty officers (LDO), junior officers with nine-years prior enlisted service, and senior enlisted (E7 to E9) personnel are eligible for a minimum of three-bedroom regardless of family composition.

Control Date & Waiting List Placement:

1. Military member's *Control Date will be usually date detached from last PDS, activity loss departure date. You must apply to the waiting list within 30 days of reporting to your new command in NAF Atsugi. (*Control date is the effective date of eligibility for MFH). Control date determines the position on a waiting list and waiting time period. Older date is better for you and higher position on the list. If you fail to apply for MFH within 30 days, your control date will be the actual date of application (walk-in date). You still start at the bottom of the waiting list and you will not be authorized for a government funded local move from your off-base residence.
2. Civilian member's *Control Date will usually be effective date on the SF50. You must apply to the waiting list within 30 days of reporting to your new command at NAF Atsugi. (*Control date is the effective date of eligibility for MFH). Control date determines the position on the waiting list and waiting time period. If you fail to apply for MFH within 30 days, your control date will be the actual date of application (walk-in date) and you will not be authorized for a government funded local move from your off-base residence.

Availability and Estimated Waiting Time Period:

The waiting times are estimates and subject to change daily. Please call or email us for more information.

House Offer & Assignment, Important!

There will be an initial waiting list based on your pay grade and bedroom eligibility. No preference for location or type/style or the accommodation of dogs will be considered on the first offer of on-base housing. You will be offered the next available unit at the earliest move-in date unit. The first offer could be a high-rise for you even if you have a dog. House offer and assignment are based on your pay grade and family composition listed on your Dependent Entry Approval. You may either accept or move in or you may refuse the first offer. If you refuse the first offer, then you will have a preference on

a list with same control date. Second offer will be your preferred type/style from the categories you are eligible for. If you decline the second offer, your name will be removed or placed at the bottom of the list and control date will be the reapplication date.

Note 1: Declining the first offer will result in the termination of Temporary Lodging Allowance (TLA). Please remember, if you refuse the first offer of on-base housing, TLA will stop after 30 days from the date you signed the refusal paperwork or earliest available date of the unit offered, whichever is later. Possibly, you will have to pay for the lodging expense from the 31st day until 2nd offer unit's move-in date or move to off-base housing.

Note 2:

If you decline the first offer and reside in the local community then when you are moving back to on-base housing, the movement of your household goods is your expense (Self-Move).

Pets:

Families with dogs should make contact with the Atsugi Housing office prior to coming to Japan to check on the probabilities of having to live off base (due to on base availability) and the likelihood of acquiring on base, pet friendly housing. Families with pets, especially dogs, may have a very difficult time finding a suitable house. Bringing dogs may delay the occupancy of family members. Therefore, you should carefully consider bringing your pet prior to arriving. If the waiting time period is long, you may have to seek off-base housing and reside in the local community during the waiting time period. You may have a maximum of 2 registered pets (dogs & cats) in government quarters. Kennel space is costly, availability is limited, and space for large dogs is few. All dogs and cats must be registered with the U.S. Army Veterinary Activity, Japan upon arrival. Camp Zama Veterinary Treatment Facility is located 4 miles from Atsugi, 20-55 minutes by car.

<http://www.maff.go.jp/aqs/english/index.html>

Temporary Lodging Allowance (TLA)

TLA accrual begins the day the member reports to the new permanent duty station. Paid TLA begins when member and family report to the new duty station. Member must check-in to AHSC to submit an application for on or off-base housing to be eligible for TLA after check-in to your new command. TLA cannot be initiated until after reporting to housing office and receive the on or off-base check-in briefing by counselor. TLA is normally granted to active duty members with command sponsored dependents and dual military couples. The purpose of TLA is to help defray the cost of meals and lodging while member is seeking off-base housing. TLA may be granted for 60 days. If member declines the first offer of on-base housing, the normal entitlement of 60 days will no longer apply. Instead, TLA will be terminated 30 days from refusal or the availability date of the unit offered, whichever is later. However, payment should not be made when sincere effort to obtain a private rental quarters has not been made. TLA is a reimbursable entitlement and paid in 10 day increments.

Delay of Family Arrival after Move-in Date: Family members must arrive within 30 days from the move-in date, taking possession by Sponsor. And also on your move-in date, your housing allowance, BAH, LQA, OHA, TLA will be terminated.

Movements of your Household Goods (HHG):

Note: You are allowed your full weight of HHG. However, it is not recommended you bring it. If you are required to live off base, you will find the houses are very small and may not accommodate oversized furniture or American made appliances. Also there is little to NO storage available.

Note: Fire arms are strictly prohibited in Japan, which includes Airsoft and Paintball guns. Archery equipment is not allowed on base and if brought it must be stored with base security. Japanese law prohibits the carry of pocket knives with a blade in excess of 2.1 inches.

Normally, most accompanied tour members are eligible for one time move by PCS Orders. This is from your last permanent duty station to on or off-base housing in Japan. However, if you reside in local community due to long waiting time period, you will be authorized for government funded local move for your HHG. There are two criteria that must be met in order to receive government funded local move into Family Housing from your off-base residence.

1. Member must apply for MFH waiting list within 30 days of reporting to NAF Atsugi.
2. Member must accept first offer of MFH.

If application is made after the 30 days or do not accept first offer of MFH, subsequent move into MFH will be solely at your expense (Self-Move).

Government Furniture & Appliances:

1. All Members with dependents: Duration of your tour, housing office will provide appliances free of charge to all eligible members such as a refrigerator, electric range, dishwasher, and clothes washer & dryer for on-base residents. If you have some problems with government appliances, please contact housing furniture & appliances section, Local 0467.63.3887 / DSN (315)264.3887.
2. Furniture can also be provided on a Temporary basis. Your HHG must be in transit to be eligible for temporary furniture. You can borrow our furniture up to 90 days or until your HHG shipment arrives whichever occurs earlier. Housing will deliver and pick-up for you. If you have no HHG shipment arriving, you have to purchase your own furniture. Please take good care of government property. In case of loss or excessive damage, you will be responsible financially.
